From the
PRESIDENT

I hope everyone is enjoying their summer, participating in those activities that aren’t very easy for us to enjoy during most of our racquetball season – golf, swimming, baseball, bicycling, summer festivals, and more.

I have some sad news regarding our ISRA Hall of Famers.

Art Shay, 2012 Hall of Fame inductee, passed away on April 28. Art was a famous sports photographer. In the late ’70s and early ’80s, he was instrumental in promoting racquetball through his photography, having come up with the idea of cutting a hole in the front wall of a racquetball court to take photos of the players from that unique angle. He was the only photographer able to depict racquetball in its purest photographic form by capturing beads of sweat dripping off a competitor, the muscle striations of a player’s legs, the joy on the faces of many in victory. Art was also a player and the founder of the “Fruit Juices,” a group of Chicago area players who met and started playing on Sunday mornings more than 30 years ago.

On June 28, John O’Donnell, Jr. lost his wife of 44 years, Arlene. John was inducted to the ISRA Hall of Fame in the Class of 2006 and he is a current ISRA Board member. Over the years, Arlene frequently attended tournaments to watch and support John. She was a very sweet woman and we all enjoyed getting to know her. Our thoughts go out to John and their children on the loss of a special woman.

In other news, congratulations go out to our Annual Awards winners and our 2018 Hall of Fame inductee, Tim Sweeney. (See article on page 6.)

We recently held the ISRA Annual Meeting. We have had some changes on our board roster. Michelle Halverson and Marla Cusano have retired from the Board and their positions as treasurer and secretary, respectively. I would like to thank them for their service to the Board and to the racquetball players of Illinois. They were great volunteers and took their jobs seriously. Dolores Lamberson is assuming the treasurer’s role and new board member Barb Vagedes is taking over the secretary duties. (See article on page 11.)

Finally, Dan Jaskier has volunteered to assume the role of travel league coordinator for the Men’s Travel Leagues. The ISRA Travel Leagues have been in existence for more than 30 years...pretty much in the same format as they originally started. Dan will be looking to mix things up and to make changes that will draw more players back to the ISRA Travel League. I don’t know all the details yet, but I will be looking forward to hearing what he has planned. You should be excited, too!

I hope to see many of you at Summerfest, the first tournament of the 2018-2019 racquetball season. Enjoy your summer, and we will see you all on the courts soon.

Landmark Peoria Inducts Hall of Famers
by Laurel Davis, ISRA President

Five racquetball players and contributors were recently inducted into the Landmark Racquet & Health Club Hall of Fame. Bob Schwab was the first member of that Hall of Fame in 2010. Landmark’s spring tournament was renamed the Robert E. Schwab Memorial Tournament in 2012, in memory of Bob who gave so much to Peoria racquetball. This latest induction ceremony occurred at that tournament in April.

Inductees included Kurt Mankle, Terry Sutton, Mike Vicary, and Racquet for the Cure co-directors Jim Maroon and Pam Schubach.

John Snarr, Landmark’s Racquetball Director, said, “It’s not just players we wanted to recognize, but ambassadors of the sport and those who performed service to the club. We’ve been blessed with so many volunteers over the years that would help with the tournaments and support the club and the sport.”

Congratulations to ALL!

Men’s 2018 Travel League -- It’s A Wrap!

On April 13th, Glass Court hosted the Travel League Awards Party where the winners were crowned:

Men’s A 1st place - Lattof YMCA; 2nd place - Glass Court
Playoffs were won by Lattof YMCA, 166 - 158.

Men’s B/C Division 1st place - Center Court; 2nd place - LA Fitness South Elgin

LA Fitness South Loop Initiates Racquetball Leagues
by Bill Roberts, ISRA North Zone VP

LA Fitness South Loop proved eager and willing to promote inaugural inter-club leagues that began June 17th. There are currently two divisions: B-Open (10 players) and Beginner-C (13 players). Per LA Fitness protocol, games are to 11 points, and the leaders and winners of the leagues are determined by the greatest percentage of points won over cumulative scores. This way, everyone gets more games in one night and plays multiple opponents. The prize for division winners is a free entry to Glass Court’s Summerfest at the end of July!

This is a perfect setup for Elite players to practice their tiebreaker skills for tournament play. The Beginner-C players have been having a blast, and the beauty of all of this is that people in the club have wandered over to see the action on the courts. Seeing the fun, some have joined the league! Three additional players signed up in the first week!

Coming soon is a challenge match with LA Fitness Alsip where the best 8-10 players from each club will face off for bragging rights!

The ISRA Women’s League concluded their season on March 12th after six months of spirited individual competition and tons of camaraderie!

Playoffs were won by Center Court, 158 - 108

The same two teams played the final in each division.

Thanks to everyone for their participation, and congrats to the winners! Look for exciting new formats for the league in the 2018-19 season.

The ISRA warmly thanks Board Member Pam Grace who has administrated and coordinated this league for more than 22 years. Pam will be passing the baton to Dan Jaskier when the new season begins.

February 24, 2018, was a special day for a special Illinois racquetball player. That was the day that Tim Sweeney became the 31st player inducted into the Illinois State Racquetball Hall of Fame. There was a great crowd in the house (Glass Court) for the induction, including Tim’s family, other Illinois Hall of Famers, some of Tim’s former rivals and some of his supporters…especially friend and mentor Dave Negrete. Dave made the formal introduction and regaled the crowd with stories about Tim and his prowess on the court. The presentation included props, including racquetball magazines featuring Tim and a racquet that Tim used to win many tournaments.

Tim started playing racquetball in 1982 when he was 15 years old at Killshot in Bloomingdale. He took on a job as “towel boy” there and soon became proficient as a Junior Illinois player while also wrestling and playing hockey for Glenbard North High School. Athletics have always been part of his life as evidenced by the fact that he now has a 3 handicap in golf!

Tim came of age in 1987 by beating Sean Moskwa for the ISRA State Open Championship. In 1988 he was 3rd in the U.S. Nationals and qualified to play on the U.S. Team. Competition in Illinois was some of the toughest in the nation in the late 80s. Tim often met in the finals against rivals Sean Moskwa, Jack Newman, Kelvin Van Trease, as well as Denny McDowell and Bobby Deuster who were near the end of their competitive careers.

Tim’s accomplishments are too numerous to list here, but he amassed a collection of achievements that no other player ever has. He is the only player in racquetball history to win:

1) State Championships (1987, 2000-2001)
2) Regional Championships
3) National Singles and Doubles Championships
4) Pro Stop (1991, Woodfield)
5) Pan American Championships (Played in 3 – ’88, ’92 and ’94 – won two of them)

Congratulations, Tim! You are where you belong.

The winners of the ISRA Annual Awards were announced. The 2017 Most Improved Player was Jeremy Dixon. Jeremy was unable to attend so his father, Barry, accepted the award in his place. The 2017 Female Player of the Year Award was awarded to Susan Mueller, the 2017 Male Player of the Year Award to Alok Mehta (a Three-Peat, as he also won in 2009 and 2016), and the 2018 Distinguished Service Award to Dolores Lamberson. Michael Fornero was the recipient of the 2018 TJ Ferro Scholarship Award.

Each recipient delivered comments of appreciation, and certificates were presented to the ISRA members who received...

After the Hall of Fame induction ceremony, the ceremony attendees retired to the Glass Court lounge (or a court if they had a match) and enjoyed connecting with friends and consuming cake. A good time was had by all.

In the blink of an eye, another JTI season is in the record books. Coaches Marian Bala, Carolyn Vazquez, Andy Pitock, and Michael Fornero are pleased with the improvement shown -- everyone worked hard and, by all observations, they had a great time this season. It's nice to see friendships develop as the season unfolds.

Thanks to parents for bringing the players to Glass Court most Sunday mornings for warm-ups, drills, instruction, and play! Some moms and dads also pitched in to help with drills, and a few more moms brought goodies to practices to energize and fortify.

Warm thanks from the JTI families and coaches go to Dan Jaskier of Glass Court who was a gracious and accommodating host throughout the season.

Juniors participated in State Singles and USAR Regionals where there were many matches to be played, some against good friends Lucy and Jackson Jeys from Iowa as well as Devin Mehta and Zachary Slade from here in the Chicagoland area.

Michael Fornero was the recipient of this year's TJ Ferro Scholarship Award. Michael received a cash award and a plaque at the ISRA Awards Ceremony on Saturday night of State Singles. After comments by Marian Bala, Jeff Grace, and Cheryl Kirk, Michael delivered some nice comments of his own, expressing gratitude to family, friends, and coaches for his racquetball success. (See photo on page 7.)

We had a great turnout for the Junior Clinic at the Shamrock Shootout, conducted by pros Ben Croft, Thomas Carter, Adam Manilla, and Jose Diaz. Geoff Peters taped items to the walls of the glass court, and the kids had the chance to try to hit something for the win -- fun stuff!

The end-of-season party in April included competition, a killer lunch with tons to eat, a fun raffle (tickets free for the players), and a short meeting to thank the coaches, parents, and players for a great season.

In June, Michael Fornero and Freddy Conforti competed in the 2018 USA Junior Team Illinois 2017-2018

Annual Meeting and Election of ISRA Board Members

The ISRA Board held its Annual Meeting on June 12, 2018. As with all ISRA Board meetings, this meeting was open to the membership. The Annual Meeting is particularly important since all members attending have a vote in the election of the ISRA Board of Directors.

Board positions are staggered two-year terms. There were a number of open seats on the Board for this year’s election.

The Board slate consisted of the following individuals:

• Current Board members Todd Burris, Jonelle Dubois, Doug Halverson, Cheryl Kirk, John O’Donnell, Jr., Geoff Peters, Bill Roberts, and Joe Silius.

• New Board nominees Arun Baskaran, Alcides Gutierrez, Barbara Vagedes, and Carolyn Vazquez.

There were no additional director nominations received from the membership, and the Board slate was accepted automatically. All terms commenced on 7/1/18. Adjustments were made in the terms of some Board members to ensure balanced election slates in future years.

In a closed session of the Board, Geoff Peters was reappointed to the office of ISRA Vice President, Barbara Vagedes was elected as Secretary, and Dolores Lamberson was selected Treasurer.

New members of the Auxiliary Board this year are Dan Jaskier and Eric Jensen.

Any ISRA member who wishes to help improve the quality of racquetball in Illinois and familiarize themselves with Board processes is welcome to join the Auxiliary Board.

Contact Laurel Davis (laurelmdavis1@gmail.com) or any ISRA Board member. Come out and support Illinois Racquetball!

Signed,
The ISRA Nominating Committee
John Thorson (Chair), Pam Grace, Dolores Lamberson

Farewell and good luck, Marla and Kerry (front). We’re going to miss you!

John Thorson, Cheryl Kirk, Laurel Davis, and Doug Halverson thanked Marla Cusano and Michelle Halverson for their years of ISRA Board service.

Racquetball success equates to greater challenges. These individuals/teams won at least one full-draw division during the 2017-2018 season and recently received “The Letter” (suitable for framing) notifying them of their new eligibility. Congratulations, and good luck to all in the coming year!

2018 ISRA State Doubles Championships

January 26-28, 2018
Glass Court Swim & Fitness, Lombard
Tournament Director: Laurel Davis

The 2018 version of the ISRA State Doubles was held on a nice (yes, I said “nice”) weekend in January at Glass Court. I think we were punished later (maybe in May) by some of the nice weather we had during what is typically the coldest part of the year.

Players numbering 112 entered the State Doubles tournament. Seventy of them played in two divisions and the other 42 played in one. I am sure you will be surprised (not) to hear that 87% of the players were male. Where have all the women gone?? There were 15 of us, total.

Based on input from players, some divisions were played in a single day allowing those players to have the rest of their weekends for a second division or some other activity. The experiment was a success, and we plan to work on more creative scheduling going forward.

Here are some additional statistics. There were 18 divisions, 11 of which were round robins. The 112 players hailed from 66 towns and cities across Illinois. One team, Cristian Moreno and Henry Conforti, had an especially successful tournament. They won the Men’s A draw (16 teams) and were rewarded with the opportunity to play in the Men’s Open going forward. Congratulations, Cristian and Henry!

Brent Huff and Keith Minor took the title in Men’s Open. Kelly Gremley and Shane Jackson won Mixed Open, and Karin McCauley and Nancy Amaro won the Women’s division.

We had volunteers from B (Bala) to Z (Zidek). They included: Marian Bala, Todd Burris, Marla Cusano, Mike Davern,

Jeremy Dixon, Michael Fornero, Jeff Grace, Pam Grace, Doug Halverson, Dolores Lamberson, Dave Milazzo, Liz Molitor, Joe Silius, Dave Singer, and Jim Zidek, along with my co-tournament directors Cheryl Kirk and Geoff Peters. Thanks to all for helping us make the tournament a success. Please note that the names in bold are members of the ISRA Board of Directors Governing Board.

We could never put on a great tournament without sponsors. The sponsors for State Doubles included Glass Court (Dan Jaskier and Joe DeArmas), Penn Racquet Sports, Response Graphics & Embroidery (Lynn and Kevin Yeazell), Little Debbie (Janet and Joe Eminger) and Al’s Pizzeria. Thanks to all!

One last comment regarding State Doubles. Recently someone mentioned how much fun it was to move the tournament between Glass Court and Landmark Health & Fitness in Peoria. I told the group that I would find out if another tournament in Peoria was a possibility. At this point, the possibility seems doubtful. I played at Landmark recently and found that they have repurposed about half of the courts. I don’t think there have been any permanent modifications to the courts, but it would take some work to be able to play on them. Looking at those courts and thinking of all the good times we have had there made me kind of sad…and it made me grateful, too. The friends I have made in Peoria and the events I have participated in there are all very memorable!

2018 ISRA State Singles Championships

February 23-25, 2018
Glass Court Swim & Fitness, Lombard
Tournament Directors: Cheryl Kirk and John Thorson

They came from 52 Illinois cities and towns from Addison to Winnetka (alphabetically speaking) – 89 players total (48 competed in 1 division; 41 in two divisions). How many of each gender, you wonder? There were 69 men and 20 women (22% women, which is a little better than we normally enjoy. Cool.). Eight juniors competed, ranging in age from 9 to 16.

Both the Men’s and Women’s Open champions (who experienced significant injuries and subsequent surgeries last year) battled to victories in the finals. Keith Minor took Men’s Open with Eric Van Marion the runner-up. The Women’s Open winner was Emily Fauser with Gisela Gomez in second place. Congrats to Keith and Emily for their grit and perseverance in returning victorious to the courts!

We tried a few new approaches to tournament administration to see how they would be received. Regarding the traditional tournament shirt souvenir, instead of including it in the entry fee, we reduced the entry fee and offered three ala carte options for separate purchase -- a long sleeved dri-fit, a short sleeved dri-fit, and a lightweight hoodie. Everyone seemed fine with this overall. The learnings? Some definitely want a shirt and some don’t care (likely the ones who’ve played tournaments for years and have enough shirts to sink a battleship).

For those aforementioned players who indeed have more shirts than they could ever wear, Claudia and Montserrat Torres staffed our tournament shirt exchange table. Bring a shirt(s), take a shirt(s) -- or just clean out your drawers at home and deposit shirts at the table. Shirts left at the end of the weekend were boxed up and delivered by Marian Bala to the Pacific Garden Mission to assist Chicago’s homeless.

We went with a $5 per division refundable referee fee. The funds go straight back to the players when they referee (including $10 for USAR-certified refs). This ensures that single elimination divisions get paid referees. I’m beginning to think that “winners ref or find a suitable replacement” is a good way to go for multiple reasons, including that everyone gets a referee in a good mood. Some round robin players might feel that since they don’t get referees, they shouldn’t be charged. I’d like to offer that throwing a quality tournament is not an inexpensive proposition, and not losing money is a good thing for everyone — because we can continue to offer events at a great club, sustain players with delicious meals, provide quality medals, and continue the ISRA’s longstanding practice of offering State Doubles and Singles competitions. (P.S. Many

thanks to the referees who gave back their fees - $90 in total - to Illinois Juniors!

Thinking aloud on the subject of referees, what are the feelings out there about going with a self-refereed concept for state championship events? There are pros and cons, right? Please write to me at cherylkkirk@aol.com and share your thoughts.

Back to State Singles...

The weather cooperated wonderfully -- and we are grateful for many years of good luck in not having a winter storm come through with the corresponding challenges that could present themselves. Um...I fervently hope that I have not jinxed the coming season! Everyone, cross your fingers.

Marla Cusano’s guacamole appeared in gratifying and sublimely delicious quantities, and we enjoyed it with mixed feelings, knowing that Marla and her guac-making gift were departing for Florida in short order.

Speaking of Marla (et al.), the ISRA Board women brain-stormed one afternoon and came up with a new state championship division: Divas With Injuries (DWI). This single elimination division with dropdown consolation featured one game to 15 (only). Rules of this experimental undertaking included that each player had to wear a brace or groan audibly at least once during the match; had to have been complaining of the injury for at least a month; and the tournament director reserved the right to disqualify if a player did not appear to be injured sufficiently. A beverage of choice in the bar was offered afterward for anesthetic effect.

The ISRA gratefully acknowledges the contributions of these sponsors and providers who helped make this tournament a success: Dr. Ernesto Tan, Molitor Athletic Fields (Liz & Dave Molitor), Al’s Pizzeria, Little Debbie (Janet & Joe Eminger), Mitchell’s Ice Cream (Dave Milazzo), Pro Penn, Glass Court Swim & Fitness (Dan Jaskier & Joe DeArmas), Awards & Fine Gifts, Inc., Chicago Marriott Suites Downers Grove, and Response Graphics (Lynn & Kevin Yeazell).

Many thanks to these volunteers who contributed their time and efforts over the course of this very busy weekend! We see these names appear over and over again in ISRA Courtside articles and on posters at the club during tournaments. Team Illinois players who enjoy competing owe a debt of gratitude to these volunteers -- they make everything possible: Marian Bala, Todd Burris, Marla Cusano, Mike Davern, Laurel Davis, Jonelle Dubois, Michael Fornero, Jeff Grace, Pam Grace, Doug Halverson, Michelle Halverson, Dan Jaskier, Dolores Lamberson, Kit Lawson, Dave Milazzo, Liz Molitor, Susan Mueller, John O’Donnell, Jr., Geoff Peters, Andy Pitock, Bill Roberts, Rick Seaberg, Claudia Torres, Montserrat Torres, Carolyn Vazquez...and the staff members of Glass Court!

Shamrock Shootout and Tier I Pro Stop
presented by KWM Gutterman

March 15-18, 2018
Glass Court Swim & Fitness, Lombard
Tournament Directors: Dan Jaskier, Geoff Peters, Doug Halverson, Cheryl Kirk

OMG! The 33rd Annual Shamrock Shootout was a wide-open event from start to finish! When current IRT World #1 Kane Waselenchuk had to forfeit the week before the event due to a lingering injury, the entire Professional field became energized – especially given the historical precedent of upsets at this event!

In the end, Andree Parrilla of Mexico won his first Tier One event on Sunday afternoon by besting first-time finalist David “Bobby” Horn of Stockton, California, with Samuel Murray of Canada and Daniel De La Rosa of Mexico as the semifinalists. The many upsets throughout the event set up a season-ending scramble for final positioning that showcased many of the up-and-coming IRT Stars of the Future!

This was the first year that the Shamrock Shootout offered a Men’s IRT Pro Doubles purse, and the turnout for this event was solid. In the end, Sebastian Franco and Mario Mercado took the IRT Doubles vs. Alejandro Landa and Samuel Murray.

With the Men’s Open Champion receiving $1,000, and with payments to the semifinalists as well as a dropdown AA division, there were 31 entries in the Open (won by Jose Diaz over Gerardo Franco). Erick Cuevas Fernandez, the IRT Rookie of the Year, came back from a tough first round loss to Adam Taylor of Indiana to take the Men’s AA bracket and prize money.

Conratulations go to Daniel Terrazas II (Men’s A), Todd Burris (Men’s B), and Helder Dos Santos (Men’s C) for winning full draw events, as well as Brenda Laime from Bolivia who bested Daniela Molina of Mexico in the Women’s Open championship. Full tournament results are available at: http://www.r2sports.com/tourney.asp?TID=24709 which shows almost 35,000 visitors to-date!

By the numbers, we had 189 competitors in 26 divisions with 150 men and 39 women. Six countries and 18 U.S. states were represented. Players totaling 128 competed in two or three divisions (the third one had to be Men’s Pro), and 61 players played in a single bracket and spent the rest of their time watching the IRT Pros and other matches!

The silent auction raised over $700 for Junior Racquetball in Illinois, and on Sunday morning we had a great clinic for Junior Team Illinois that featured four IRT Pros including Ben Croft who was in town for the event and lost in a very close tiebreaker in the IRT Pro Quarterfinals despite not having played a competitive singles event in two full seasons. Thomas Carter, Jose Diaz, and Adam Manilla were there helping at the Junior Clinic, too.

A special thanks to our presenting sponsor, Keith Minor and KWM Gutterman, as well as Platt Hill Nurseries (Platt Hill), Rick Seaberg, Papa Nicholas Coffee (Jim Schlicher), Chicago Spectro (Geoff Goldblatt), Alok Mehta, Baird & Warner (Wayne Lorenz), Jam Trucking (Bob Randazzo), Eduardo’s Pizza (Dave Milazzo), Benistar (Brian Berkelhame), Taco Burrito King (Danny Ortega), Newman Schimel (Jack Newman), Little Debbie (Janet Eminger), Anthony’s Pizza (Tony Cosmano), and Jose Arteaga, who all stepped up to make it possible. In addition, we had very important donations from a wide range of players who wanted to make sure that we continued to host a pro event in Chicago. Our thanks go out to Melissa Musick, Rob Dreger, Sue & Leo Klimaitis, Laurel Davis, Liz Molitor, Mike Davern, Eric Jensen, Vickie Onesti, Cheryl Kirk and Kit Lawson, and

John Thorson – many of whom also volunteered their time and energy to make the event run on time all weekend.

Speaking of running the event – it truly does take a village! At the risk of forgetting someone, we extend our thanks to Michael Fornero, Liz Molitor, Laurel Davis, Rich and Jane Winters, Jeff and Pam Grace, Maria Cusano, Marian Bala (doing yeowoman duty on hospitality), Michelle Halverson, Amanda Podlesak, Dave “the King” Singer, Dolores Lamberson, Sue Mueller, Jonelle DuBois, Joe Silius, Kathi DeArmas, Joe DeArmas, Doug Brown, Deb Peters, Bill and Sara Roberts, Todd Burris, Jesus Lopez, Lori Good, and Ms. VIP Lounge Laura Brown. Let’s not forget our Junior Team Illinois players who served as the Court Kids during the quarterfinals, semifinals and finals – in return for the best seats in the house and a chance to interact with their idols! And – to the best Operations Director in the business, with her stamp on everything – Cheryl Kirk.

Women’s Senior Masters 29th Annual Championships

January 12-14, 2018
Tucson Racquet & Fitness Club, Tucson, Arizona
Tournament Directors: Cindy Tilbury and Linda Moore

by Cheryl Kirk

Excerpts reprinted courtesy of USA Racquetball. See full article in the Spring 2018 issue of Racquetball magazine.

This largest and longest continually running event for women players in the world features a self-refereed format with plenty of court time. The round-robin format ensures play on every day of the three-day tournament. Women players competed in singles and doubles age divisions -- eight round robins, one double round robin, and three pool-play-with-playoff formats.

Sixty-seven players (ages 35-77) competed, and 39 of those entered both singles and doubles. Those individuals were promoted to “amazon status” (not the retailer) as a result. Twenty-one states were represented, and Marie Gomar from Guatemala made this an international event!

The Tucson Racquet & Fitness Club provided the perfect setting for this competition – eleven excellent courts, outstanding restaurant, full spa and workout facilities, pool, pro shop, friendly staff...what’s not to love?

Much gratitude goes out to Tournament Directors Cindy Tilbury and Linda Moore and to WSMRA Tournament Committee members Terry Rogers, Merijean Kelley, and Paula Sperling. Volunteers Lois Palmer, Carrie Reitmeier, Brent Johnson, Nidia Funes, and Carol Gellman helped ensure a smooth-running event.

Team Illinois

Eleven Team Illinois players enjoyed the camaraderie, the competition, and a brief respite from the cold back home. We are proud that we continued our streak of bringing the most players to this event. California and Arizona followed with eight and seven, respectively.

2018 NMRA National Championships

Warren Health & Racquet Club, Warren, NJ  
May 2-5, 2018  
Tournament Director: Cindy Tilbury and Mike Grisz

Once you arrive at Newark’s international airport and travel west for 15 minutes, you realize that the crowded East Coast stereotype isn’t what New Jersey is all about. Sure, there’s the Garden State Parkway and the New Jersey Turnpike (which I admit can be a little intimidating), but a trip west shows the true beauty of the state – trees, hills, cities and towns of various sizes and ages. There’s a lot of U.S. history there, and this was a fine trip to make for a lot of racquetball and a bit of sightseeing as well.

This NMRA event drew 107 players (82 men/25 women), 30 of whom competed in one division and 77 in two divisions. This equates to serious racquetball in divisions from 40+ to 85+. In racquetball, older doesn’t equate to out of shape, that’s for sure! These players are GOOD.

Twenty-eight states plus a player each from Canada and Guatemala made up this great group of competitors. Team Illinois was represented by Ray Redelman, Barbara Vagedes, and Cheryl Kirk:

Cheryl Kirk - Mixed 55+ w/Bob Wright IN (1st); Women’s 60+ w/ Barbara Vagedes (3rd)

Ray Redelman - Men’s 55+

Barbara Vagedes - Mixed 65+ w/Donald Schmitt CT (2nd); Women’s 60+ w/ Cheryl Kirk (3rd)

The NMRA’s hospitality and special features make their tournaments a pleasure to attend: delicious meals including a very nice banquet; quality souvenir and medals; plenty of on-court action; sightseeing recommendations; gracious and hardworking volunteers; and excellent communication pre, during, and post event. I heartily recommend their events for the “over 40” crowd!

Your membership in the ISRA has helped make our organization second to none. Though we strive to make improvements to build and grow the sport for future success, we sometimes struggle to keep our heads above water as an organization. Our focus is not for the purpose of monetary gain but to generate enough funds to give back quality, first-rate programs, tournaments and events we can all be proud to participate in. Our volunteers who donate their time and/or money are greatly appreciated as are those who advertise in this ISRA eMagazine. For as little as $25 for a business card size ad, we can help get your name out there to let everyone know what you do; for $150, we can run your ad on a full page. Help Us Help You by getting your ad into the next issue of ISRA Courtside!

Many thanks,

Joe Silius
